Artificial Girl 3 Megapack 168 Characters 269 Clothes

. does this work?Cytokeratin 19, as a marker of tumor progression in human prostate cancer. We evaluated cytokeratin 19 (CK19), a marker of prostate epithelial differentiation, as a tumor marker of prostate cancer. Using monoclonal antibodies against human CK19, we examined the expression of CK19 in 39 human prostate tumors of various grades and stages and four normal human prostate tissues. CK19 was present in the cytoplasm in 18 of 39 (45%) prostate cancer specimens. Seven (38%) of the 18 CK19-positive specimens were atypical carcinomas, and 10 (56%) were Gleason grades > or =7. In the 29 CK19-negative specimens, 11 (38%) had Gleason grades or =8, and 12 (41%) were not graded. Using logistic regression analysis, the positive predictive value of CK19 expression for prostate cancer as estimated from a cross-validated data set was 87%. We also investigated the distribution of CK19 in prostate cancer using serum enzyme-linked immunosorbent assay. Six of 26 (23%) sera of patients with prostate cancer contained CK19-specific IgG, and 4 of (67%) of the sera contained CK19-specific IgM. Our results suggest that CK19 may be a useful marker for the detection of prostate cancer, progression.News Lawyers from the law firm of Turton & Goldsworthy have been referred a number of claims relating to the death of a student following a party in a Swansea nightclub. In a joint statement, the firm said that an inquest into the death of 18-year-old James Bedard was due to be opened at Swansea Coroner's Court on Monday, May 30th. Bedard died on May 11th after he attended a college party in the Swansea student union building. The teenager was with a group of friends when they arrived at the venue, wearing a stag do outfit. When the group entered the 'Red room' at the club, James collapsed after suffering a seizure. The party guest later died after being taken to the hospital. A party host was arrested on suspicion
