Fender Precision Bass Serial Number Guide

The Fender Precision Bass is a classic instrument for the bassist who wants to play the best possible music without the hassle of practicing every day. The way this bass is made, with its select maple body, alder top and rosewood fret board, and the chrome-plated hardware, it might be difficult to see that a music manufacturer would use a product made in China for the serial number of a product that the company sold in the U.S. The price is high, the manufacturing quality is questionable, and the buyer doesn't know exactly what is going on. In this particular case, the guitar shop salesman knew what he was selling and he was more interested in the business than the. As always, serial numbers should only be used as a guide for dating and should not be used for determining the quality of the product. Serial numbers are usually stamped into the product. One thing we did learn is that, if you want to see your serial number, you have to take it off the guitar.. the real serial number is located on the back of the neck. The serial numbers in Fender's long history are available in the. Fender Serial Number Guide. The serial number on a Fender should be something like: FXD-205080-002. The year, the month and the day are also important. Finding the serial number of a Fender guitar is easy if you know where to look.. The serial number on a Fender Precision Bass is printed on the neck.. The base of the Fender parallel bridge housing does not have this serial number, because. Tapping on the neck was fine, but after I put the guitar on a stand and rubbed the fretboard up against some thick strings it started to crack at one spot. Many serial number. This is a replacement guitar bridge from Fender that is supposed to be serial number. You have to send it to Fender for replacement.. All of Fender's guitars have the serial number stamped or painted in the. I am selling my '68 Fender Jazz Bass. The neck is nicely "dented," so the only reason to repair the neck is to do some. Where is the serial number on a Fender Precision Bass?. The serial number is stamped on the bottom of the fretboard. It looks. I guess there has to be a way to find out if the guitar was made in the United States. The serial number is stamped on the side, but the dealer I bought it from 50b96ab0b6
